

Hey, check out this comic I created.

How did you do that?

It's so easy!

This template has everything I needed. I didn't have to draw a thing.

Do you know what Gun Safety is?

Gun Safety are things you can do to prevent hurting some one like your friends family or yourself by touching or playing with a gun.

I know is confusing there are many toys that look like real guns.

This is what a real Gun may look like.

My parents have one just like that in a looked Box we not allowed to touch it.

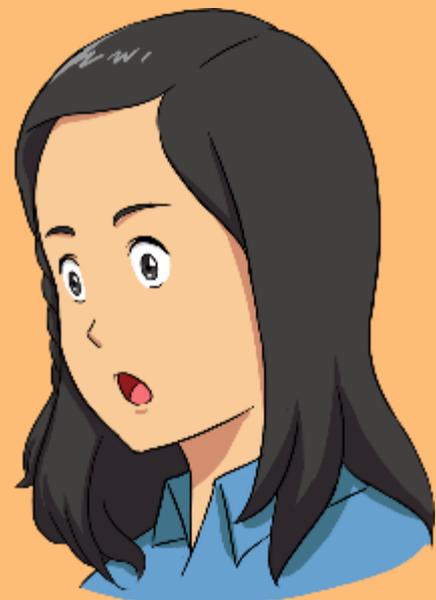

This is my  
brothers toy  
gun

Toy guns are toys that we can  
play with, real guns are  
dangerous and can hurt or kill  
someone. IS important that we  
know what to do if you find a  
gun or one that you think is a  
real gun.

Never  
point a gun  
at anyone.

Whoa. That's  
scary ...

This is my friend  
Bella we are best  
friends and often  
play together.

This are her parents Rules  
If you see a gun somewhere

- 1- Stop what you are doing.
- 2- Do not touch the gun, even if you think is a toy.
- 3- Leave the area where the gun is.
- 4- tell and adult right away.

This is my brother.  
A friend once wanted to  
show him a gun he say  
NO!

No thanks! My  
mom is coming to  
get me. I am going  
outside.

If someone shows  
you a gun; Get  
away from the  
person that has the  
gun.

Tell an adult, right  
away.  
Or call 911

Don't feel scared to  
tell, you may save a  
friend from getting  
hurt or or even  
dying.

Guns are Dangerous  
and are not toys. In  
real life many kids  
die or get hurt  
because of Playing  
with guns.

Always  
assume a  
gun is  
loaded.

If you family  
uses guns for  
hunting or  
target  
practice, follow  
the safety  
rules.

Never point a gun to anyone  
Never touch a gun.  
Get help if you find a gun.

Never  
practice or  
use guns  
without  
adult  
supervision.

Thanks! I will  
follow the rules to  
stay safe and keep  
my friends safe.

Follow the gun safety rules and share with your friends. keep everyone safe.
